Dear Mr. Valencia:

On June 29, 1998, Preferred Carrier Services, Inc. d/b/a Phones for All / Telefonos Para Todos filed an application for a CC&N to provide intrastate telecommunications in the State of Arizona. In order for Staff to continue with its review of this application, the following information must be submitted:

- A. Applicant is required to publish legal notice of the application in all counties where services will be provided. Your application states that you will be providing services statewide, however, we have only received Affidavits of Publication for the following counties: Coconino, Maricopa, Pima, and Yuma. Please file affidavits of publication for the remaining counties or, if the company no longer intends to provide statewide service, a description or a map detailing the proposed service area along with affidavits for any other county where the company intends to provide service.
- B. Please submit a proposed tariff with both maximum rates, along with the proposed initial rate to be charged for each proposed service to be offered. Only one set of rates is listed in your proposed tariff. Please send us your current price list and your maximum rates. If no maximum is sent, then the current prices on file will be considered current and maximum rates.

This information must be received by Docket Control within **60 days** of the date of this letter. Please mail an original plus 10 copies to: Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received, Staff may recommend that the application be terminated. If the application is terminated, the
